Haritha Sampath

Aspiring AIML Student | Machine Learning | Deep Learning | Data Science | Final Year student at KSRCAS
Salem, Tamil Nadu, India

Summary

I'm a final-year student passionate about Artificial Intelligence and Machine Learning. With Strong knowledge in Python and ML fundamentals like data collection, preprocessing, visualization, so I'm excited to dive into real-world problem statements and learn from experienced professionals.

I'm looking for an ML Engineer internship where I can apply my skills, explore new ideas, and contribute to innovative solutions. Let's connect and explore opportunities!

Experience

Imagivite Technology

Project Analyst

April 2025 - May 2025 (2 months)

Thiruchengode

I had gained hands-on experience in project analysis, data analysis, and team communication. I had worked on their booking application project along with technical development team, led the intern team, and handled data analysis and connections to drive insights and reports of the application.

CSUITE TECH LABS

Junior Assistant ML Intern

January 2025 - March 2025 (3 months)

Coimbatore, Tamil Nadu, India

I gained the knowledge in Machine Learning fundamentals, developed basic skills in data preprocessing and visualization, fundamentals of model training and evaluation, and algorithms (including regression and classification).

Education

K.S.Rangasamy College of Technology

Bachelor of Science , Artificial Intelligence & Machine Learning · (June 2023 - May 2026)
